EXECUTIVE SUMMARY

Detail-oriented Quantity Surveying professional with hands-on experience in construction cost estimation, quantity take-offs, technical drafting, and BIM modelling. Proficient in AutoCAD, Revit, SketchUp, Enscape, and CostX, with strong skills in BOQ preparation, tender documentation, and project cost control. Currently completing an HND in Quantity Surveying (Pearson/BTEC) while applying practical expertise through freelance projects. Seeking a junior QS or CAD Draughtsman role in the UAE or Qatar construction industry, bringing a proven academic track record of three consecutive Distinction grades and Best Performer awards.

TECHNICAL SKILLS

Quantity Surveying: Quantity Take-Offs, BOQ Preparation, Cost Estimation & Budgeting, Tender Documentation, Material Cost Analysis, Project Cost Control, Valuation & Measurement, Construction Documentation

CAD & BIM Software: AutoCAD 2D & 3D, AutoCAD MEP, Revit (BIM Modelling), SketchUp, 3ds Max

Rendering & Visualisation: Enscape, 3ds Max

Project Management Tools: Primavera P6, Microsoft Project, Procore

Productivity & Reporting: Microsoft Excel (QS cost sheets), Microsoft Word, Microsoft Office Suite

Languages: English (Professional), Tamil (Native), Sinhala (Conversational)

SOFT SKILLS

Communication & Coordination • Team Collaboration • Problem Solving • Attention to Detail • Time Management • Analytical Thinking • Adaptability • Professional Documentation

PROFESSIONAL EXPERIENCE

Freelance Draughtsman & Quantity Surveyor

August 2023 – Present

Self-Employed | Remote

- Prepared accurate quantity take-offs and material schedules for residential and commercial construction projects, ensuring cost estimates aligned with market rates.
- Developed detailed 2D and 3D technical drawings using AutoCAD, including floor plans, elevations, sections, and MEP coordination drawings.
- Produced full BIM models and construction documentation packages in Autodesk Revit, including door/window schedules and rentable area calculations.
- Created photorealistic architectural visualisations and walkthroughs using Enscape and SketchUp, including day and night exterior renders and interior scenes.
- Prepared Bills of Materials and Technical Data Sheets in line with industry standards for submission with tender packages.
- Supported project planning and scheduling activities using Primavera P6 and Microsoft Project.
- Utilised Microsoft Excel for cost analysis, budgeting, and construction data management across multiple concurrent projects.
- Coordinated directly with clients to understand technical requirements, manage revisions, and deliver final outputs within agreed timelines.
- Maintained comprehensive project records, technical reports, and documentation files with high accuracy throughout all project phases.

Key Achievements

- Successfully delivered multiple freelance drafting and quantity surveying assignments to client satisfaction within budget and schedule.
- Elevated project visualisation quality through professional Enscape rendering, including dramatic night-scene lighting for residential building models.
- Improved documentation accuracy through structured BIM modelling workflows in Revit, reducing revision cycles for client deliverables.
- Built a portfolio of real construction projects across drafting, cost estimation, and 3D visualisation disciplines while completing full-time academic studies.

EDUCATION

BTEC Higher National Diploma (HND) — Quantity Surveying

2024 – Present

BCAS Campus Kalmunai | Pearson UK | 16 Modules including ABIM | Expected June 2026

Diploma in Computerized Construction Design & Technology (CCDT)

2023 – 2025

BCAS Campus Kalmunai

Grade: Distinction | Award: Best Performer (Batch Topper)

Diploma in Information Technology

2022 – 2023

BCAS Campus Kalmunai | Completed: October 2023

Grade: Distinction | Award: Best Performer (Batch Topper)

Diploma in English Language

2022 – 2023

BCAS Campus Kalmunai

Grade: Distinction | Award: Best Performer (Batch Topper)

AWARDS & ACCOMPLISHMENTS

- Best Performer — Diploma in Computerized Construction Design & Technology, BCAS Campus
- Best Performer — Diploma in Information Technology, BCAS Campus
- Best Performer — Diploma in English Language, BCAS Campus
- Three consecutive Distinction grades across all diploma-level qualifications at BCAS Campus
- Completed professional training in AutoCAD, Revit, SketchUp, and Enscape rendering
- Developed and published a professional online portfolio showcasing BIM models, Enscape render walkthroughs, and QS project documentation
